

TEAM MOMS “CLUB SPACE” TEAM WEBSITE

AYSO Region 602 is offering our teams a NEW way to communicate with your players.

This website is at no cost to you or the region. IT IS FREE!!!
ONLY YOUR TEAM WILL HAVE ACCESS TO YOUR WEBSITE!!

For example you will be able to add and change items....

- | | |
|-------------------|---------------------|
| 1. Practices | 5. Game Scores |
| 2. News | 6. Team Party Plans |
| 3. Cancellations | |
| 4. Team Standings | And much more... |

HOW DO I GET STARTED?

1. The region has already entered the divisions and teams. Before you can start, you will need to request a “team admin” user name and password. There are two types of administrators: the coach (team admin—can change and adjust everything) and team mom (team web-master can only change website content not player/team info).
2. Once you receive your user name and password, go to this website and begin creating your site. Follow the prompts and you will see just how easy it can be.

3. There is a support button and a live chat area that allows you to ask questions and get solutions to your needs while creating. Don't worry, they are there to help you. Assign someone who is computer literate to help you with your site, if you are not sure of your capabilities.

Good luck and enjoy!!!

To request your user name and password contact: treasurer602@earthlink.net
WITHIN YOUR EMAIL, please include the following:

Your first and last name, your email address, your responsibilities to the team, and your phone number (in case we have questions regarding your eligibility)
Your name must show on the team roster in order to request this site information.

Once we receive this info, we will send you back your access information.
